INDIA FENCE EXPO 2026 - INDUSTRY TALKS 2026

The Industry Talks at INDIA FENCE EXPO 2026 brought experts together to discuss indigenous border security, integrated perimeter protection, critical infrastructure and counter-drone systems, highlighting advances in Indian manufacturing and security technologies.

INDUSTRY TALKS

TOPICS

Guarding the Line – Inside DRDO's Push to Indigenise Border & Perimeter Security Technologies

Integrated Perimeter Security: From Fencing to Full-Spectrum Situational Awareness

Securing Critical & Green Infrastructure: Perimeter Protection for Solar Parks, Data Centres, Smart Cities and Ports

Atmanirbhar Bharat in Perimeter Security: Building India's Indigenous Manufacturing & Technology Base

Counter-Drone & Airspace Security: Detection, Interdiction and Policy for India's Borders and Critical Sites

See it. Test it. Believe it.

Where Protection Meets Real-World Threats

Presented by:

A-1 FENCE
Fence & Fence-ability

The zone brought integrated perimeter protection to life through simulated security breaches. Live demonstrations showcased the strength of physical barriers alongside intrusion detection systems, real-time alerts and rapid security response, highlighting how multiple technologies work together to prevent unauthorised access.

Dr. B. K. Das
Director General (Electronics & Communication Systems),
DRDO

India Fence Expo showcased a wide range of industries, technologies and startups developing next-generation security solutions. The use of AI, sensor technology and security design highlighted the growing potential for integrated, technology-led security systems.

Manoj Kumar
Additional Director General, Border Fencing Region,
CPWD

India Fence Expo is an excellent platform for exploring different fencing and electronic security solutions under one roof. With many manufacturers offering cost-effective, Made-in-India technologies, the show provides a valuable opportunity to discover solutions for strengthening border security.

INDIA FENCE EXPO 2026 - HEAR DIRECTLY FROM INDUSTRY LEADERS

Nirmal Singh
Director,
Assomac Machines Limited

India Fence Expo has been a fruitful platform for us, which is why this is our third consecutive participation. We've connected with new customers, including exhibitors who use our wire-making machinery, and the show gives us the opportunity to stay connected with our target industry and generate valuable business opportunities.

Disha Kejriwal
Director – Media & Marketing,
Sunvik

India Fence Expo has been a fantastic first-time experience for us. The visibility, quality of interactions and strong visitor response have made it a definite win for us as we explore the fencing industry. We've loved being part of the show.

Neeraj
Tech Engineer,
CP PLUS

India Fence Expo has been a fantastic and interesting experience for us. The show has a wide range of exhibitors and strong visitor engagement. We've had meaningful conversations with visitors across technical, sales and solution-related requirements, giving us a good opportunity to showcase our solutions, connect with potential customers and explore new business opportunities.

Manan Lunia
Director,
MV Fence

India Fence Expo is the only dedicated fence show of its kind in India, and we're glad to be part of it. The response over the three days has been amazing, with strong visitor interest and engagement. We're very pleased with the experience.
